ENHANCEMENT PROJECT

We would like to put in front of you our ongoing enhancement project about constructing our own place to give our members more care and comfort.

The premises that we use now are rented, hence there are many limitations to the facilities we can provide to enhance care and safety. This new place will help us overcome the rented premises' shortcomings.

In this new facility, there are additional amenities to help us more in taking care of our members, like,

- ✓ Fire Hydrant, Alarm System and Generator
- ✓ AC & TV in each Room
- ✓ Solar system – Electricity and Water
- ✓ CCTV Camera, Intercom, Wi-Fi
- ✓ Emergency bell system and speakers in each room
- ✓ Full Furnished with latest home electrical appliances
- ✓ Medical, Physiotherapy and Safety Equipment

These additional facilities will make the stay of our members safe and more comfortable.

So far, we do not have any financial support apart from the donations made by the families of the members to meet the expenses on monthly basis. Most of the donation amount that we receive is spent on Rent, Maintains, Groceries, Staff Salary (Doctors, Nursing, Caretaker, Physiotherapy, and Physiology), professional fees for accounting and legal, Current facility enhancement and betterment etc. So, to accomplish the dream of providing more care and comfort, we need your support.

Up until now, the building has been funded by us only in terms of loans and personal savings and fund raised through sales of personal properties (Own house, a Shop and Land) but after all that we could do, we still need some support to provide all the better facilities to our members.
